hearstcurling@ntl.sympatico.ca

The community of Hearst and surrounding area is now endowed with a new sports complex that includes four curling sheets. The Hearst Community Curling Club has undertaken this new construction worth more than \$2,100,000 which has been made possible mostly by two major subsidies totaling \$ 1,545,000.

The Municipality has agreed to co-sign a \$240,000 20-year mortgage that the curling club will reimburse from its operating revenues, as well as to provide us with the proceeds from the sale of the old club of \$99,000. The curling club is therefore required to raise \$216,000 (plus interest on this amount) through donations and supplementary fundraising.

We need your help and support in order to eliminate this residual capital cost as soon as possible. We have set an objective of \$250,000. You can help the curling club by making a contribution in one of the following ways:

Donation:

- A unique amount: You can make a donation of whatever amount and a charitable tax receipt will be provided.
- Donation of \$ 250 : To honour generous supporters, the Hearst Community Curling Club will acknowledge the donation of \$ 250 by inscribing on a

curling rock handle the individual or family's name or business. What a great way to support your community club, see your name on the ice, and receive a charitable tax receipt.

(N.B .) Cheque must be made to Town of Hearst and identified to Community Complex.

A Reimbursed Loan:

- This is a forgivable loan that the Curling club will reimburse when it can. Those who donate or loan \$1,000 or more will have their name (if they so wish) inscribed on a commemorative plaque which will be displayed in the new building permanently.

For more information on donating or lending and more news on the Curling Club you can visit our Club Web site at: hearstcurling.com .You can also contact the Club Treasurer Teri Brunet at 362-7936, e-mail; terib@ntl.sympatico.ca or use the contact information identified on this letterhead.
